Dear Stakeholder,

RE: ISSUANCE OF CERTIFICATES OF OCCUPATION TEMPORARILY HALTED

I hereby notify you of the temporary halt on the issuance of Certificates of Occupation and Temporary Occupation.

This is to allow Development Planning the opportunity to address concerns of irregular issuances that have been raised by City Councillors and members of the public.

Considering that the construction industry closes for the Holiday Season, the Department will take this time to assess the requirement and processes involved in the issuances of the certificates until Monday, 10 January 2022.

I trust that you will find the above in order.

Yours in service,

CLLR BELINDA ECHEOZONJOKU
